Operating Agreement for Triple 'R' Driving School

It is the intent of the Triple R Driving School and affiliates of the company to provide instruction and experience to students of all ages in driver education. Instructors of Triple R Driving School are certified teachers in the state of Iowa. The format of the school may vary depending on the time of year (spring, summer, fall, etc.), although instructional content will remain the same.

Iowa State requirements will be met or exceeded:

1. Length of the day in the classroom may not exceed 180 minutes.
2. Students will receive at minimum 30 hours of classroom instruction and 6 hours of behind-the wheel training.
3. Students will receive 240 minutes of substance abuse education.
4. Students will receive a minimum of 20 minutes of railroad crossing safety.
5. Students will be provided instruction relating to the organ donation under the Uniform Anatomical Gift Act.
6. The minimum number of times a student will drive in a dual control automobile during the entire course without simulation or range is 12 (30 min sessions) or 6 (one hour sessions).
7. A maximum of 360 minutes of range instruction may be substituted for behind-the-wheel instruction.
8. All driver education instructors, with the exception of behind-the-wheel instructors, must hold a valid Iowa secondary teaching license and the Driver Education endorsement.

In the unfortunate event of an accident/collision with a student behind the wheel, Triple 'R' will ask that the student or family of the student cover half of the deductible for collision repairs (\$500.00 deductible for collision insurance; \$250.00 responsibility to student or student's family).

It is our intent that all students will complete the course at the program's end. However, students with excessive absences, deficient driving abilities or disruptive behavior (as judged by the instructor) may be dismissed from the program or be required to obtain more driving experience before being issued a certificate of completion. Additional driving experience may be obtained with the instructor or other persons meeting state requirements per request. Additional driving with the instructor will be \$40.00 per hour.

Upon completion of the course, students will be sent a completion letter containing their grade and information on how to obtain their next license. Verification of the completion of the course will be submitted electronically to the Iowa DOT. This submission will allow them eligibility for an intermediate driver's license under the Graduated License System of the state of Iowa, and also allow them eligibility for a school permit (if eligibility criteria is met). All other Graduated License requirements must be met (see graduated license information from the Department of Transportation).

Any student not showing up for their scheduled drive during the course of driver education will be subject to a \$40.00 fee.

***** Upon completion of the course, Triple R Driving School, Rump's Road Rules LLC is not responsible for any action of students.***
