Owned and operated by Mr. Ryan Rump, "Rump's Road Rules" has become the number one choice for driver education in Southeast Iowa. Students must be at least 14 years of age and **MUST** possess a **valid instructional driving permit** prior to the beginning of class. Other pertinent information is as follows:

- There will be **one on-line class** offered through Keokuk High School for students in the summer of 2020.
- The session will begin Monday, June 29th. This session will include classroom hours each weekday (M-F) for two weeks, with the last class on July 10th. Each class will be held from 12-3pm daily. A make up class could be offered if necessary on a date TBD. In order to participate, students will need a strong internet connection at home, a computer with a working speaker and camera, and a valid e-mail address.
- Driving times for this session will be arranged once we begin the classroom sessions. We will communicate with students and families our in-car safety protocols as a result of COVID-19. Each student and their family will be required to sign a waiver in order to receive behind the wheel training; the waiver is on page 3 of this registration form.
- The cost of the course will be \$340.00. A \$170.00 deposit is required with registration. Keokuk students who qualify for a reduced/free rate should write "free" or "reduced" at the bottom of their registration form. The reduced rate is \$170. Deposits are refundable if notification is given prior to the start of driver education. Refunds of any kind **will not be issued** once driver education has initiated. The balance of tuition will be collected before certificates of completion are distributed (**please plan accordingly**). Please make checks payable to **Triple R Driving School L.L.C.**
- **Confirmation of enrollment will be sent via text message 2-3 days before the first day of class. If you have any questions, please contact Ryan at 319-470-6975.**

Operating Agreement for Triple 'R' Driving School

It is the intent of the Triple R Driving School and affiliates of the company to provide instruction and experience to students of all ages in driver education. Instructors of Triple R Driving School are certified teachers in the state of Iowa. The format of the school may vary depending on the time of year (spring, summer, fall, etc.), although instructional content will remain the same.

Iowa State requirements will be met or exceeded:

1. Length of the day in the classroom may not exceed 180 minutes.
2. Number of classroom hours will be a minimum of 30 hours.
3. Students will receive 240 minutes of substance abuse education.
4. Students will receive a minimum of 20 minutes of railroad crossing safety.
5. Students will be provided instruction relating to the organ donation under the Uniform Anatomical Gift Act.
6. Two or more students **will be scheduled** for all behind-the-wheel instruction.
7. 30 minutes per session, 60 minutes per day is the maximum a student may drive in one day.
8. The minimum number of times a student will drive in a dual control automobile during the entire course without simulation or range is 12.
9. A maximum of 360 minutes of range instruction may be substituted for behind-the-wheel instruction.
10. All driver education instructors, with the exception of behind-the-wheel instructors, must hold a valid Iowa secondary teaching license and the Driver Education endorsement.

In the unfortunate event of an accident/collision with a student behind the wheel, Triple 'R' will ask that the student or family of the student cover half of the deductible for collision repairs (\$500.00 deductible for collision insurance; \$250.00 responsibility to student or student's family).

It is our intent that all students will complete the course at program's end. However, students with excessive absences, tardies, deficient driving abilities or disruptive behavior (as judged by the instructor) will be dismissed from the program or be required to obtain more driving experience before being issued a certificate of completion. Additional driving experience may be obtained with the instructor or other persons meeting state requirements as at the discretion of the instructor. Additional driving with the instructor will be \$40.00 per hour.

Upon completion of the course, students will be awarded a certificate of completion. The certificate will allow them eligibility for an intermediate driver's license under the Graduated License System of the state of Iowa, and also allow them eligibility for a school permit (if eligibility criteria are met). All other Graduated License requirements must be met (see graduated license information from the Department of Transportation). Lost certificates of completion can be duplicated with a \$40.00 fee.

Any student not showing up for their scheduled drive during the course of drivers education will be subject to a \$40.00 fee.

***** Upon completion of the course the Triple R Driving School is not responsible for any action of students.***

****By signing this form, I am giving permission for my student to enter and operate a vehicle owned by Triple 'R' Driving School for training purposes with Triple 'R' instructors during the duration of this course. I understand that Driver Education is not a mandatory course that is not taken for credit at Keokuk Community Schools and I am choosing to send my student to this optional activity with the private organization Triple 'R' Driving School during the summer of 2020. I understand that our nation is currently facing challenges related to the spread of COVID-19 and that entering a vehicle for training purposes will require my child to be in close proximity to one other student and a driving instructor. I also understand that the spread of infectious diseases such as COVID-19 is a risk that is inherently present and I am making the choice to allow my child to receive this training during the pandemic. As such, on behalf of myself, my student, and my household, I assume all responsibility if my student was to contract COVID-19 during the duration of this driver education course and I release Triple 'R' Driving School and the Keokuk School District from any liability in the event that my student were to contract COVID-19 during the duration of this driver education course.**
